What is the procedure usually adopted before a ferry is established? Has this been observed in this case. Please examine & put up.

Sir,

I have the honor to state that on the representation of one Gulam Mohadin Beri, a resident of the village suggesting that if a new ferry across the river at Kalmane is opened and leased out to him for the next five years that he could pay an annual income of Rs 250/- the Amildar of Tirthahalli discussed the subject in the Taluk Board and recommended the opening of a ferry across the river at Kalmane. The matter was placed before the District Board in their meeting held on the 6th December 18 and it was resolved that the opening of a ferry across the river at Kalmane be recommended for sanction.

As there are no ferries in close proximity and as it will not interfere with any of the existing ferries in the taluk, it is requested that sanction of Government may kindly be obtained for opening a ferry across the river at Kalmane in the Tirthahalli Taluk.

The file of vernacular records ending with Tirthahalli Taluk Amildar's No. 163 dated 3rd October 1918 and a copy of the resolution of the District Board dated 6th December 1918 on the subject are herewith submitted for reference.

I have the honor to be,
Sir,
Your most obedient servant,
Illegible
President, District Board.
Shimoga.
